Class – V , Syllabus - 2019-2020

2	Half Yearly Examination	01 to 08 and 10	Chapter 05: “The digestive system; Inside the mouth; Inside the stomach” topics are omitted. (“Why should we brush our teeth” topic is to be addressed)
3	Periodic Test 02	11 to 14	Nil
4	Annual Examination	11 to 19	Nil

Note:

- i. There are no limitations to represent any given topic in a diagrammatic manner. It is the diagrams and pictures that make a particular topic interactive.
- ii. Comprehension based questions from diagrams must be considered as a part of exercise. Students must be able to extract information and judge the situation by observation.
- iii. It is a good practice to connect the content with surrounding observation and imbibe in students the concept of interdependence of living beings with one another as well as with the environment.
- iv. Innovative suggestions on a particular issue or a topic from students must be promoted in the class. They may not exactly address a given topic, however it is good to involve and motivate students to think and respond with a scientific temperament.
