Note:

- i. Poems if given in any chapter are meant only for the purpose of recitation in the classroom. It is not expected to make students memorize the poems.
- ii. There are no limitations to represent any given topic in a diagrammatic manner. It is the diagrams and pictures that make a particular topic interactive.
- iii. It is a good practice to connect the content with surrounding observation and imbibe in students the concept of interdependence of living beings with one another as well as with the environment.
