Our Lady of Pillar Convent School, Jodhpur

Class – VI , Syllabus - 2019-2020

Note:

- i. There are no limitations to represent any given topic in a diagrammatic manner. It is the diagrams and pictures that make a particular topic interactive.
- ii. Comprehension based questions from diagrams must be considered as a part of exercise. Students must be able to extract information and judge the situation by observation.
- iii. It is a good practice to connect the content with surrounding observation and imbibe in students the concept of interdependence of living beings with one another as well as with the environment.
- iv. Innovative suggestions on a particular issue or a topic from students must be promoted in the class. They may not exactly address a given topic, however it is good to involve and motivate students to think and respond with a scientific temperament.
- v. Students must be able to classify and compare or differentiate various parallel concepts within the chapter or of different chapters wherever possible.
